## A Special Invitation

### **CME Housing Futures and Options to Launch - May 22, 2006**

CME Housing futures and options are the first comprehensive financial tools that make it possible to trade U.S. real estate values. These products provide opportunities for protection or profit in up or down markets, and extend to the housing industry the same tools for risk management and investment that previous CME innovations have brought to agriculture and finance.

#### **Please Join Us for the CME Housing Products Trading Seminar & Launch Reception**

**Tuesday, May 16, 2006**

3:00 p.m. - 4:30 p.m.

CME Auditorium  
20 South Wacker Drive  
Chicago, IL

**To register, please visit:** [www.cme.com/housingseminar](http://www.cme.com/housingseminar)
