MacroMarkets LLC Surpasses One Billion Dollars in Assets Under Management

May 29, 2008, Madison, NJ – MacroMarkets LLC, continuing to push the boundaries of the ETF frontier, today announced that it has reached a milestone of \$1 Billion in Assets Under Management through investments in its two securities, MacroShares[®] Oil Up and MacroShares[®] Oil Down (AMEX: UCR and AMEX:DCR).

A year and a half ago, MacroMarkets launched its first groundbreaking products. Since then, MacroMarkets has been developing a unique family of funds and, as of today, manages over \$1 Billion. MacroMarkets developed the patented MacroShares structure and acts as their administrative agent.

“This has been a tremendous time of growth for us and it is just the beginning” said Sam Masucci, MacroMarkets’ President and CEO. “We currently have two other securities in registration with the SEC and are excited about adding several more products to the pipeline in the near future.”

Important Risks

This Information does not represent an offer to sell securities of the MacroShares Holding and Tradeable Trusts and it is not soliciting an offer to buy securities of these Trusts. There can be no assurance that the Trusts will achieve their investment objectives. An investment in a

MacroShare Holding or Tradeable Trust involves significant risks, including the risk of loss of substantially all of your investment. There is no guarantee as to the amount of any quarterly distribution or the amount of the final distribution to shareholders. You should review the risk factors in the prospectus prior to investing in a Holding or Tradeable Trust.

The Holding Trusts continuously offer shares through Authorized Participants. MacroShares Holding Shares may be converted to MacroShares Tradeable Shares, which can be bought and sold on the American Stock Exchange. There is no guarantee that a market for any MacroShares Holding or Tradeable Shares will continue.

Fluctuations in the underlying value of a Tradeable Trust or its related Holding Trusts and other factors may affect the market price of your MacroShares investment. An investment in a Tradeable Trust or its related Holding Trust will not resemble a direct investment in the asset being tracked. The price of the asset being tracked by a Tradeable Trust or its related Holding Trust may be volatile. It may be difficult to predict whether in the long-term the price of the asset being tracked will reflect a generally upward or downward trend. There are risks associated with investing in a product linked to a benchmark. A substitute price may be used as the reference price of the benchmark asset.

MacroMarkets LLC and their respective affiliates do not provide tax advice. Investors are urged to consult their tax advisor to fully understand the tax implications associated with and investment in any Tradeable Trust (or its related Holding Trust). Investors are hereby notified that: (A) any discussion of federal tax issues in this press release is not intended or written to be relied upon, and cannot be relied upon by investors for the purpose of avoiding penalties that may be imposed on investors under the Internal Revenue Code; (B) such discussion is being used in connection with the promotion or marketing by Macro Securities Depositor, LLC and the Holding and Tradeable Trusts of the transactions or matters addressed herein; and (C) investors should seek advice based on their particular circumstances from an independent tax advisor.
